BATTLE PLANNER

FOREWORD

TO THE MAN READY TO BREAK THE CYCLE

You did not pick up this book by accident, and you did not land in this room by mistake.

You are here because your way ran out of road. The rationalizations, the secret compromises, the collateral damage to people who trusted you, and the exhaustion of living a divided life have finally brought you to ground zero.

Understand this before you turn another page: half-measures will destroy you.

Addiction is not an intellectual problem solved by good intentions; it is a spiritual siege that requires complete surrender and unrelenting daily discipline. You cannot negotiate with a fire that is trying to consume you. You cannot keep one foot in the old neighborhood, one hand on an old contact, and expect Christ to build a new man on rotten footings.

True recovery is not merely the absence of a substance. It is the presence of an absolute, masculine allegiance to Jesus Christ. It is learning to wake before the dawn, kill your pride on your knees, look another man in the eye with radical honesty, and execute hard labor with clean hands.

This journal is not a casual devotional. It is a daily operational logbook. It will force you to plan your morning, guard your perimeter against old triggers, intercede for your brothers, and account for your integrity before you sleep.

The cycle breaks today. Stand up, take your post, and walk the line.

HOW TO USE THIS MANUAL

FIELD ORIENTATION

THE DAILY PAGE

One page for every day of the year. Six sections in fixed order: Scripture Anchor, Tactical Prayer Directive, The Watch List, Orders of the Day, Holy Spirit Intel, and the Evening Debrief. Work it top to bottom — dawn to lights-out.

THE 0500 STANDARD

Each page opens before sunrise. Read the anchor verse first. Mark it memorized only once you can recite it without looking.

THE WEEKLY SPREAD

Every seventh page is a two-page reset — Sabbath Debrief on the left, Strategic Deployment on the right. Complete both between Saturday evening and Sunday night.

THE MONTHLY MILESTONE DEBRIEF

At the close of each month, stop and audit the ground won before advancing to the next theme. Do not skip ahead without completing this page.

THE TACTICAL SCRIPTURE INDEX

Keep the gold ribbon here. In an acute moment — craving, shame, isolation — turn to this page before you turn anywhere else.

THE COVENANT

Sign it in front of your accountability brother or mentor. This is not a formality. It is the standard you are agreeing to be held to for the next 365 days.
